### *The Umarex 850 M2 | Umarex USA*

The Hammerli 850 AirMagnum air rifle is a high powered CO2 air rifle with no silencer. However, this is not the disappointment it might seem as many shooters like the noise! It's worth noting that the HAM team expected the sound to be much louder because it is high power CO2, so the noise still doesn't meet the norm for this type of gun.

The Umarex 850 M2 is an up-graded version of the Hammerli 850 AirMagnum. Both share a lot of similarities, both are made in Germany, however the new Umarex-branded model includes a number of worthwhile improvements. Both 850s are powered by a 88/90 Gram CO2 cartridge. This is enclosed in a pull-off front cover to the buttstock.

If you're thinking about buying the Umarex Gauntlet air rifle, or already have done so, you may have questions or need an explanation for how best to use your new regulated PCP airgun. This book gives you a head start in experience with Gauntlet. You'll love shooting the Umarex Gauntlet even more with the knowledge you'll gain from this book!

Current safety trends encourage shooters to opt for guns of less power, especially CO2-powered guns. Several airgun shooters are not required to go through the traditional buying procedures of high-powered pistols and rifles, such as background checks and waiting periods. Plus, companies such as Colt, Smith & Wesson, and Walther manufacture high quality CO2 products that are visually indistinguishable from their traditional firearms. In this new guide to CO2-powered pistols and rifles, James E. House offers a comprehensive history of CO2 guns, dating back to the 1930s, and a discussion of propulsion, pellets, and sights. Beginning shooters are introduced to the market with a complete analysis on performance and accuracy of currently available products. Airgun enthusiasts are reunited with CO2 classics no longer being manufactured. This book also offers additional sections on target shooting, games, and varmints. Offers a comprehensive history of CO2 pistols and rifles dating back to the 1930s Includes a categorical review of BB pistols, .177 caliber pistols, .20 and .22 caliber pistols, and rifles Discover products currently available only on the secondary market

Jett Ryder wants his motocross stunt at Niagara Falls to be his most amazing yet. But he's not sure what it should be. Then Jett and his best friend Mika come across the statue of the inventor Nikola Tesla, and the pair gets an electric idea. Can Jett pull off this never-been-done-before stunt?

This revised 5th Edition, now expanded to over 400 pages in a larger 8 x 11 in. format, contains over twice as much information as previous editions. Featured in this 5th Edition are hundreds of digital images for most popular makes and models, making identification much easier. The Blue Book of Airguns contains both up-to-date 2005 airguns pricing information and detailed technical data on both today's high tech offerings and older, discontinued models. This includes domestic, foreign, and military airguns, modern commemoratives, and major trademark antiques! Also included are some valuable editorials by Dr. Robert Beeman and noted airgun journalist Tom Gaylord, as well as an extensive pictorial glossary. The 5th Edition Blue Book of Airguns contains more useful and up-to-date information than any other single airgun publication.

The explosive New York Times bestseller by Stephen Hunter that sends ex-Marine sniper Bob Lee Swagger into the thick of an FBI investigation and features some of the greatest gunfights ever to grace the page. It takes a seasoned killer... Four famed '60s radicals are gunned down at long range by a sniper. All the evidence—timeline, ballistics, forensics, motive, means, and opportunity—points to Marine war hero Carl Hitchcock. Even his suicide. The case is almost too perfect. ...to hunt one. Recruited by the FBI to examine the data, retired Marine sharpshooter Bob Lee Swagger penetrates the new technology of the secretive sniper world to unravel a sophisticated conspiracy run by his most ruthless adversary yet—a marksman whose keen intellect and pinpoint accuracy rival his own. But when the enemy and his deadly henchmen mistake Bob for the hunted, it's clear that some situations call for a good man with a gun...and the guts to use it.

Fabbrica d'Armi Pietro Beretta, S.p.A., the oldest industrial firm and the oldest gunmaker in the world, launches its 475th anniversary with the publication of this lavish history and celebration of a unique world of Beretta firearms. Beretta remains under the stewardship of its founding family and reigns as one of the few international brands symbolic of unsurpassed quality. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Published annually for more than eighty years, the Shooter's Bible is the most comprehensive and sought-after reference guide for new firearms and their specifications, as well as for thousands of guns that have been in production and are currently on the market.
