Originally a small agricultural village, Shanghai developed during the late Qing dynasty as one of China's principal trading ports. Since the economic reforms of the early 1990s the city has burgeoned to become one of Asia's major financial centers and the world's busiest container port.

Evolution of the city. As late as the 5th to 7th centuries ce the Shanghai area, then known as Shen or Hudu, was sparsely populated and undeveloped. Despite the steady southward progression of Chinese settlement, the exposed deltaic position of the area retarded its economic growth. During the Song dynasty (960–1126) Shanghai emerged from its somnolent state as a small, isolated fishing village.

Unlike many cities in China with long and varied histories, Shanghai's history is quite short. The British opened a concession in Shanghai after the first Opium War and ignited Shanghai's evolution. Once a small fishing village on the edge of the muddy Huang Pu River, it has become one of the world's most modern and sophisticated cities.
