~~For Building ...~~

Looking for the

big picture of

building APIs?

This book is for

you! Building

APIs that

consumers love

should certainly

be the goal of

any API

Download Ebook Api

initiative.

However, it is easier said than done. It

requires getting the architecture for your APIs

right. This book equips you with both foundations and best

practices for API

architecture.

GraphQL has been released only as a specification.

This means that GraphQL is in fact not more than a long document that describes in detail the behaviour of a GraphQL server.
