Saviano worked as an assistant at a Chinese textile manufacturer and on a construction site, both controlled by 'the System', and as a waiter at a Camorra wedding. Born in Naples, he recalls seeing his first murder at the age of fourteen, and how his own father, a doctor, suffered a brutal beating for trying to help an eighteen-year-old victim, left for dead in the street. Gomorrah is both a bold and engrossing piece of investigative writing and one heroic young man's impassioned story of a place under the rule of a murderous organization.

With an introduction by Misha Glenny. Since Gomorrah was first published in Italy in 2006, Roberto Saviano has received so many death threats that he has been assigned police protection in his native Naples. A groundbreaking study and a searing exposé, Gomorrah is the astonishing true story of the renowned crime organization the Camorra, known by insiders as 'the System'. With a global reach, large stakes in construction, high fashion, illegal drugs and toxic waste disposal, the Camorra exerts a malign grip on cities and villages along the Neapolitan coast. Now an international sensation, it is at once a bold and gripping piece of investigative journalism as well as the story of one brave young man, his life in Naples and his contempt for the murderous organization who destroyed the place he calls home.

A groundbreaking major bestseller in Italy, Gomorrah is Roberto Saviano's gripping nonfiction account of the decline of Naples under the rule of the Camorra, an organized crime network with a large international reach and stakes in construction, high fashion, illicit drugs, and toxic-waste disposal. highest murder rate in all of Europe and why cancer levels there have skyrocketed in recent years. Saviano tells of huge cargoes of Chinese goods that are shipped to Naples and then quickly distributed unchecked across Europe. He investigates the Camorra's control of thousands of Chinese factories contracted to manufacture fashion goods, legally and illegally, for distribution around the world, and relates the chilling details of how the abusive handling of toxic waste is causing devastating pollution not only for Naples but also China and Somalia. In pursuit of his subject, Saviano worked as an assistant at a Chinese textile manufacturer, a waiter at a Camorra wedding, and on a construction site. A native of the region, he recalls seeing his first murder at the age of fourteen, and how his own father, a doctor, suffered a brutal beating for trying to aid an eighteen-year-old victim who had been left for dead in the street. Gomorrah is a bold and important work of investigative writing that holds global significance, one heroic young man's impassioned story of a place under the rule of a murderous organization.

An electrifying, internationally bestselling investigation of the global cocaine trade now a series on Prime Video starring Andrea Riseborough, Dane DeHaan, and Gabriel Byrne, from the author of the #1 international bestseller Gomorrah "Zero zero zero" flour is the finest, whitest available. It is also the nickname among narco-traffickers for the purest cocaine on the market. And it is the title of Roberto Saviano's unforgettable exploration of the inner workings of the global cocaine trade—its rules and armies, and the true depth of its reach into the world economy. Saviano's Gomorrah, his explosive account of the Neapolitan mob, the Camorra, was a worldwide sensation. It struck such a nerve with the Camorra that Saviano has lived with

Online Library Gomorrah Roberto Saviano

twenty-four-hour police protection for more than eight years. During this time he has come to know law enforcement agencies and officials around the world. With their cooperation, Saviano has broadened his perspective to take in the entire global “corporate” entity that is the drug trade and the complex money-laundering operations that allow it to function, often with the help of the world’s biggest banks. The result is a harrowing and groundbreaking synthesis of literary narrative and geopolitical analysis exploring one of the most powerful dark forces in our economy. Saviano tracks the shift in the cocaine trade’s axis of power, from Colombia to Mexico, and relates how the Latin American cartels and gangs have forged alliances with crime syndicates across the globe. He charts the increasing sophistication of these criminal entities as they diversify into other products and markets. He also reveals the astonishing increase in the severity of violence as they have fought to protect and extend their power. Saviano is a writer and journalist of rare courage and a thinker of impressive intellectual depth, able to see connections between far-flung phenomena and bind them into a single epic story. Most drug-war narratives feel safely removed from our own lives; Saviano offers no such comfort. Both heart-racing and eye-opening, *ZeroZeroZero* is an investigative story like none other. Praise for *ZerZeroZero*: “[Saviano] has developed a literary style that switches from vivid descriptions of human depravity to a philosophical consideration of the meaning of violence in the modern world. . . . Most important of all is the hope Saviano gives to countless victims of criminal violence by standing up to its perpetrators.” —Financial Times

insiders as the System, the Camorra, an organised crime network with a global reach and large stakes in construction, high fashion, illicit drugs and toxic-waste disposal, exerts a malign grip on cities and villages along the Neapolitan coast, and is the deciding factor in why Campania has the highest murder rate in all of Europe and why cancer levels there have skyrocketed in recent years. In pursuit of his subject, Saviano worked as an assistant at a Chinese textile manufacturer and on a construction site, both controlled by the System, and as a waiter at a Camorra wedding. Born in Naples, he recalls seeing his first murder at the age of fourteen, and how his own father, a doctor, suffered a brutal beating for trying to help an 18-year-old victim, left for dead in the street. Gomorrah is both a bold and engrossing piece of investigative writing and one heroic young man's impassioned story of a place under the rule of a murderous organisation.

Essays on art, politics and life from the best-selling author of Gomorrah Gomorrah, Roberto Saviano's 2006 exposé of Naples's Camorra mafia, was an international bestseller and became an award-winning film. But the death threats that followed forced the author into hiding. Saviano was ostracized by his countrymen and went on the run, changing his location every few months and compelled to keep perpetual company with his bodyguards. To this day, he lives in an undisclosed location. The loneliness of the fugitive life informs the essays in *Beauty and the Inferno*. Among other subjects, he writes about the legendary South African jazz singer Miriam Makeba, his meeting with the real-life Donnie Brasco, sharing the Nobel Academy platform with Salman Rushdie, and the murdered Russian journalist Anna Politkovskaya. Present throughout the book is a sense of Saviano's peculiar isolation, which

Online Library Gomorrah Roberto Saviano

infuses his words with anger, exceptional insight and tragedy.

In Gomorrah, a New York Times Book Review Notable Book of the Year, Roberto Saviano revealed a true, devastating portrait of Naples, Italy under the rule of the Camorra, a crime organization more powerful and violent than the Mafia. In The Piranhas, the international bestselling author returns to his home city with a novel of gang warfare and a young man's dark desire to rise to the top of Naples's underworld. Nicolas Fiorillo is a brilliant and ambitious fifteen-year-old from the slums of Naples, eager to make his mark and to acquire power and the money that comes with it. With nine friends, he sets out to create a new paranza, or gang. Together they roam the streets on their motorscooters, learning how to break into the network of small-time hoodlums that controls drug-dealing and petty crime in the city. They learn to cheat and to steal, to shoot semiautomatic pistols and AK-47s. Slowly they begin to wrest control of the neighborhoods from enemy gangs while making alliances with failing old bosses. Nicolas's strategic brilliance is prodigious, and his cohorts' rapid rise and envelopment in the ensuing maelstrom of violence and death is riveting and impossible to turn away from. In The Piranhas, Roberto Saviano imagines the lurid glamour of Nicolas's story with all the vividness and insight that made Gomorrah a worldwide sensation. "With the openhearted rashness that belongs to every true writer, Saviano returns to tell the story of the fierce and grieving heart of Naples." —Elena Ferrante

Roberto Saviano returns to the streets of Naples and the boy bosses who run them in Savage Kiss, the hotly anticipated follow-up to The Piranhas, the bestselling novel and major motion

Online Library Gomorrah Roberto Saviano

picture Nicolas Fiorilla and his gang of children – his paranza – control the squares of Forcella after their rapid rise to power. But it isn't easy being at the top. Now that the Piranhas have power in the city, Nicolas must undermine the old families of the Camorra and remain united among themselves. Every paranzino has his own vendettas and dreams to pursue—dreams that might go beyond the laws of the gang. A new war may be about to break out in this city of cutthroat bargaining, ruthless betrayal, and brutal revenge. Saviano continues the story of the disillusioned boys of Forcella, the paranzini ready to give and receive kisses that leave a taste of blood. Saviano's Gomorrah was a worldwide sensation, and *The Piranhas*, called 'raw and shocking' by the New York Times Book Review, captured readers with its tale of raw criminal ambition, told with 'openhearted rashness' (Elena Ferrante). *Savage Kiss*, which again draws on the skills of translator Antony Shugaar, is the latest thrilling installment from the brilliant Italian novelist.

This book offers an innovative interdisciplinary perspective in the study of Roberto Saviano as a media/literary phenomenon. It includes a thorough analysis of Saviano's public personality and production with accurate references to key semiotic and cultural studies notions such as body, agency, audience, empowerment.

A massive bestseller in its native Italy, and a book that can justly be compared with Roberto Saviano's *Gomorrah*, *Blood Ties* is a terrifying account of the 'ndrangheta's criminal activities over the last four decades. Originally from Calabria, this sinister organization has - like the Mafia in Sicily and the Camorra in Naples - a vicious hold over northern Italy and much of the

Online Library Gomorrah Roberto Saviano

rest of the country, too, a stranglehold that is growing every day. Told to the authors by an insider, Pippo di Bella, a 'pentito', a former member of the gang now turned state's evidence, it reveals many hitherto unknown operations, as well as throwing new light on well-known cases from the past. It shows an organization which retains and strengthens its position through corruption, drug smuggling, gun running, violence, extortion and kidnapping. Visceral, compelling and terrifyingly readable, it paints a brutally vivid picture of the most dangerous and powerful of the Italian mafias, one which demands to be read.
