bargains to download and install kaplan medical cardiovascular system color sheet so simple! Better to search instead for a particular book title, author, or synopsis. The Advanced Search lets you narrow the results by language and file extension (e.g. PDF, EPUB, MOBI, DOC, etc).

Kaplan Medical Cardiovascular System Color Sheet

he cardiovascular system is sometimes called, simply, the circulatory system. It consists of the heart, which is a muscular pumping device, and a closed system of vessels called arteries, veins, and capillaries. As the name im-plies, blood contained in the circulatory system is pumped by the heart around a closed circle or circuit of vessels as it
regions. You should color in these regions with the same shade of green. In the middle of the abdomen is the umbilicalregion. Color this region in red. Above this isthe epigastric region (epi= above and gastric= stomach). Color this region in purple. Belowthe umbilical region isthe hypogastric region (hypo = below). Color this region in a darker blue.
