Award-winning psychologist and educator Thomas Lickona offers more than one hundred practical strategies that parents and schools have used to help kids build strong personal character as the foundation for a purposeful, productive, and fulfilling life. Succeeding in life takes character, and Lickona shows how irresponsible and destructive behavior can invariably be traced to the absence of good character and its ten essential qualities: wisdom, justice, fortitude, self-control, love, a positive attitude, hard work, integrity, gratitude, and humility. The culmination of a lifetime's work in character education from one the preeminent psychologists of our time, this landmark book gives us the tools we need to raise respectful and responsible children, create safe and effective schools, and build the caring and decent society in which we all want to live.

Sociologists present theories and research on the origins and patterns of intra-family violence, the relationship between violence in the family and society, and strategies for reducing and controlling violence. Bibliogs

Do you want to be able to speak, read and write Modern Standard Arabic confidently? This bestselling course from Teach Yourself - the No.1 brand in language learning - teaches Modern Standard Arabic (MSA), used in writing and formal speech throughout the Arabic-speaking world to enable communication between speakers of the various regional varieties of Arabic. This new edition has complete audio support available separately - MP3 compatible. Complete Arabic is structured in thematic units and the emphasis is placed on communication, so that you effortlessly progress from introducing yourself and dealing with everyday situations, to using the phone and talking about work. By the end of this course, you will be at Level B2 of the Common European Framework for Languages: Can interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party. Learn effortlessly with a new easy-to-read page design and interactive features: NOT GOT MUCH TIME? One, five and ten-minute introductions to key principles to get you started. AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success, based on the author's many years of experience. GRAMMAR TIPS Easy-to-follow building blocks to give you a clear understanding. USEFUL VOCABULARY Easy to find and learn, to build a solid foundation for speaking. DIALOGUES Read and listen to everyday dialogues to help you speak and understand fast. PRONUNCIATION Don't sound like a tourist! Perfect your pronunciation before you go. TEST YOURSELF Tests in the book and online to keep track of your progress. TRY THIS Innovative exercises illustrate what you've learnt and how to use it. This pack includes a book and two CDs of audio material. To learn the spoken Arabic of the Gulf region, pick up a copy of Complete Spoken Arabic of the Arabian Gulf, also from Teach Yourself: 9781444105469. Rely on Teach Yourself, trusted by language learners for over 75 years.

Although proficiency in vocabulary has long been recognized as basic to reading proficiency, there has been a paucity of research on vocabulary teaching and learning over the last two decades. Recognizing this, the U.S. Department of Education recently sponsored a Focus on Vocabulary conference that attracted the best-known and most active researchers in the vocabulary field. This book is the outgrowth of that conference. It presents scientific evidence from leading research programs that address persistent issues regarding the role of vocabulary in text comprehension. Part I examines how vocabulary is learned; Part II presents instructional interventions that enhance vocabulary; and Part III looks at which words to choose for vocabulary instruction. Other key features of this timely new book include: *Broad Coverage. The book addresses the full range of students populating current classrooms--young children, English language Learners, and young adolescents. *Issues Focus. By focusing on persistent issues from the perspective of critical school populations, this volume provides a rich, scientific foundation for effective vocabulary instruction and policy. *Author Expertise. Few volumes can boast of a more luminous cast of contributing authors (see table of contents). This book is suitable for anyone (graduate students, in-service reading specialists and curriculum directors, college faculty, and researchers) who deals with vocabulary learning and instruction as a vital component of reading proficiency.

The highly-anticipated follow-up to the smash hit!: THE ANTIQUARIAN STICKER BOOK!

Learning through experience definitely makes an impression, but isn't it better sometimes to learn from the successes and failures of others? Scripture tells us that those who came before us are examples for us (1 Cor. 10:6 and 11), given that we could learn what to do-and what not to do. Few offer us the lessons that Elijah does. Looking for God's provision? Elijah dealt with that. Trying to believe God when everything in the natural is against you? Elijah dealt with that too. Battling with self-pity? Elijah faced that as well. Elijah's ministry wasn't very long, but it was packed full of life lessons that we can use today. You may not think an Old Testament prophet has anything to teach you, but you'll want to think again-a man translated to heaven by a whirlwind must have something to share. Explore the right-and wrong-ways to serve God, and learn more about how God honors His servants. This book offers the life experience without the hard knocks!
