but some clinicians
and scientists have
queried about the
scientific validity of
CAM due to the lack
of scientific evidence.

There is great
demand in the

explore the scientific
and evidence-based
knowledge of CAM in
the anticancer field.

File Type PDF

M14 4 Chemi

With this aim, a book series is needed to structurally deliver the knowledge to readers. Recently there have been encouraging results from both laboratory experiments and clinical trials demonstrating the anticancer effects of herbal medicine.

There is considerable

interest among oncologists and cancer researchers to find anticancer agents in herbal medicine.

This volume is a specialised book presenting the up-to-date scientific evidence for anticancer herbal medicine. This unique book provides an overview of the
