Seeking to become immortal like the other Goddess Girls, Medusa searches for a magical necklace, an effort that is compromised by her mean reputation, her snaky hair, and unexpected consequences.

Seeking to become immortal like the other Goddess Girls, Medusa searches for a magical necklace, an effort that is compromised by her mean reputation, her snaky hair, and unexpected consequences.

Medusa is the ultimate mean girl in this series that blends modern drama with ancient myths. Well researched and true to the original myths, each volume in the Goddess Girls series addresses contemporary issues, like friendships and relationships, from a classically accurate—and entertaining—perspective. In Medusa the Mean, Medusa is

Online Library Medusa The Mean Goddess 8 Joan Holub

sick and tired of being the only mortal at Mount Olympus Academy. Not only is she surrounded by beautiful, powerful, immortal classmates, but she also has snakes for hair and a reputation for being mean. Immortality, she thinks, will solve everything. So when she finds out about a necklace that promises just that, she's sure it will help her get the two things she covets most: to be as popular as the four Goddess Girls and to have her supercrush, Poseidon, finally notice her. But when the necklace brings about popularity in the totally wrong way, things go from bad to worse. Can Medusa overcome her "meanie" status and prove that there's more to her than meets the eye?

Seeking to become immortal like the other Goddess Girls, Medusa searches for a magical necklace, an effort that is compromised by her mean reputation, her snaky hair, and unexpected consequences.

Athletic Artemis rails against the all-boys' Olympic Games at Mount Olympus Academy, which leaves her at odds with her twin brother, Apollo, while a mortal boy named Actaeon catches her eye.

Medusa, the only mortal at Mount Olympus Academy, has snakes for hair and a reputation for being mean, but after she seeks out a magical

Online Library Medusa The Mean Goddess 8 Joan Holub

necklace that has the power to help her become as beautiful and popular as the other goddesses--and hopefully get Poseidon to notice her--things do not work out the way she hopes.

When Zeus asks Athena to look after the new boy Heracles, she uses all of her famed wisdom to sort out her own problems and help him succeed.

For an extra credit project, Aphrodite begins a club for matchmaking mortals, which brings her to Egypt and face-to-face with her competition, the Egyptian goddess Isis.

In Athena the Brain, Athena always knew she was smart and special, but she didn't realize that she was a goddess! When she's whisked away to Mount Olympus Academy, she worries about fitting in and dealing with her dad (Zeus). Luckily, she meets the Goddess Girls and finds the best friends she's ever had.

When Medusa suddenly gains the "Midas touch," she is delighted, but as it dawns on her that it is more curse than blessing, she seeks a cure.
