ANGELS AND DEMONS The countdown to oblivion has started - who will stop the clock? A famous scientist is found dead, a mysterious symbol burned into his skin. Many miles away in Rome, the world's cardinals gather to elect a new pope. Little do they know that beneath their feet, a vast bomb has started to tick. Professor Robert Langdon must work out the link between these two seemingly unconnected events if he is stop the Vatican being blown sky high. THE DA VINCI CODE The race to uncover the oldest secret has begun . . . An eminent man is brutally murdered in the world's most famous museum. Around his body are a ring of codes, hastily drawn in blood. He died to protect a long-kept secret which Professor Robert Langdon must now uncover. It will be a race against time to decipher this final message. Can he get there before the killers do? THE LOST SYMBOL To save a life, you must first crack the code . . . A mysterious invitation brings Professor Robert Langdon to Washington DC. But all is not as it seems in this powerful city. An ancient organization plans to reassert itself. And he is the only man standing in its way. If he is to prevent a terrible plan being executed, Langdon must decipher a series of increasingly bloody clues. But first he has to make sure he stays alive . . . INFERNO The world is in danger - who will save it? Robert Langdon wakes up in a Florence hospital with no clue how he got there. But another attack on his life makes it very clear – someone wants him dead. And fast. To survive, Langdon must work out who it is. And then he must answer the next question – why?

#1 WORLDWIDE BESTSELLER Harvard professor of symbology Robert Langdon awakens in an Italian hospital, disoriented and with no recollection of the past thirty-six hours, including the origin of the macabre object hidden in his belongings. With a relentless female assassin trailing them through Florence, he and his resourceful doctor, Sienna Brooks, are forced to flee. Embarking on a harrowing journey, they must unravel a series of codes, which are the work of a brilliant scientist whose obsession with the end of the world is matched only by his passion for one of the most influential masterpieces ever written, Dante Alighieri's The Inferno. Dan Brown has raised the bar yet again, combining classical Italian art, history, and literature with cutting-edge science in this captivating thriller.

A boxed set containing two best-selling thrillers from the author of The Da Vinci Code features Angels & Demons, in which Robert Langdon is called in when the murder of a physicist raises fears that the Illuminati are operating again after centuries of silence, and Deception Point, in which NASA announces the discovery of an ancient meteorite filled with fossils deep in the Arctic ice. Reprint.

Robert Langdon, while at the U.S. Capital Building, finds an object encoded with five symbols, which is an ancient invitation to usher its recipient into a long-lost world of esoteric wisdom. When Langdon's beloved mentor, Peter Solomon, is kidnapped, he realizes his only hope of saving Peter is to accept this mystical invitation and follow wherever it leads him. Langdon is instantly plunged into a clandestine world of Masonic secrets, hidden history, and never-before-seen locations - all of which seem to be dragging him toward a single, inconceivable truth.

DISCOVER THE SECRETIVE BROTHERHOOD BEHIND DAN BROWN'S THE LOST SYMBOL Freemason influence on the founding of Washington, D.C., is evident throughout the city's buildings, statues and monuments—but it's written in coded symbols that few people understand. Dan Brown's new thriller sends symbologist detective Robert Langdon through the capital to unravel its Masonic secrets. Now in Deciphering The Lost Symbol, Freemason expert Christopher L. Hodapp compares each clue and plot twist in Brown's story to the true facts. *Discover the meaning of "The Lost Word" *Decode Masonic and alchemical symbolism *Explore the innermost rooms of Masonic lodges and temples *Visit the restricted area of the U.S. Capitol and other landmarks *Uncover secret patterns in Washington, D.C.'s maps and monuments *Crack the codes buried in The Lost Symbol's artwork and puzzles

Rich in world history and political power, veiled in secrecy, and rife with rituals and arcane symbols -- from art and architecture to the images that adorn our currency -- the Freemasons arose from ambiguous origins centuries ago to play a major role in drafting the initial documents of the United States, and even in constructing the intricate landscape of Washington, D.C., itself a virtual mystery by design. These puzzles lay the foundation for Dan Brown's serpentine thriller, The Lost Symbol, and also raise provocative questions. Why do some Masonic symbols remain obscured, while others are hidden in plain sight? Which presidents were the embodiments of Masonic ideals? What is the significance of the construction of the Library of Congress, Washington National Cathedral, the Washington Monument, the Capitol, and the physical layout of Washington, D.C.'s roadways and cul-de-sacs? And to what secretive end do they all lead? Now millions of curious fans can follow Robert Langdon step-by-step, and discover for themselves the answers to the absorbing conundrums posed by The Lost Symbol in this comprehensive, fully illustrated, and intricately detailed tour of the arcana of Washington, D.C. It takes readers through the enigmatic codes, captivating trivia, unfathomable riddles, intriguing records, historic maps, ciphers, and conspiracies of the phenomenal bestseller. What's more, it reveals the fascinating details of a world of unknown locales, mysticism, intrigue, and secret societies -- all of which lie in the shadow of The Lost Symbol.
