What can Let's Go Skate provide?

Over the years we have worked with schools broadening our horizons and offering our services in various different ways. We've ran after school

Online Library Schools Let S Go

clubs for children to have continuous learning but also provided one off workshops for those that just want a crash course on pushing and riding along.

Let's Go Zero brings together UK schools who want to be zero carbon, are reducing their own climate impact, and demanding greater UK government support to achieve this goal. The campaign will show national government that there is a substantial demand amongst teachers and pupils

Online Library Schools Let S Go

to become zero carbon, with the potential for schools to catalyse wider change in their communities.
