~~Like most books by Jean Plaidy, "The Sun in Splendour" had the potential of being much better. Having now read the entire Plantagenet saga, I rate this the second worse after the previous novel. The Wars of the Roses was a fascinating and complex period in English history.~~

~~The Sun in Splendour (Plantagenet Saga, #14) by Jean Plaidy~~

~~The Sun-in-Splendour, also called The True Sun, was one of the Hours. Together with The Forge of Days, it was one of the original Gods-from-Light, those Hours who descended directly from The Glory, and once ruled the Mansus as the highest of the Hours. The Sun-in-Splendour was worshipped by the...~~

~~The Sun in Splendour is based on the life of Elizabeth Woodville, wife of Edward IV, and describes the major events relating to the claimants to the monarchy, and the events of Wars of the Roses, at that time. Elizabeth Woodville does not come across as an entirely sympathetic figure, although the portrayal is credible.~~

THE KITCHEN - OUR NEW SEASONAL MENUS AT The Sun In Splendour Home-grown hospitality - a deliciously British urban retreat Come along to The Sun In Splendour, get cosy and escape from the cold in our pub. We pride ourselves on serving up a seasonal menu that's packed with hearty, traditional British pub classics.

The classic, magnificent bestselling novel about Richard III, now in a special thirtieth anniversary edition with a new preface by the author In this triumphant combination of scholarship and storytelling, Sharon Kay Penman redeems Richard III—vilified as the bitter, twisted, scheming hunchback who murdered his nephews, the princes in the Tower—from his maligned place in history. Born into the treacherous courts of fifteenth-century England, in the midst of what history has called The War of the Roses, Richard was raised in the shadow of his charismatic brother, King Edward IV. Loyal to his friends and passionately in love with the one woman who was denied him, Richard emerges as a gifted man far more sinned against than sinning. With revisions throughout and a new author's preface discussing the astonishing discovery of Richard's remains five centuries after his death, Sharon Kay Penman's brilliant classic is more powerful and glorious than ever.

Jean Plaidy's hugely popular Plantagenet series draws to a dramatic close with this final volume. Reckoned by those about him to be the most handsome man in the country, Edward the fourth has risen to the throne with the help of Warwick, the kingmaker. But even Warwick's trusted advice cannot convince the King to ignore his passion for the beautiful widow, Elizabeth Woodville - and when she refuses to become his mistress the two are married. Beloved of the people, Edward proves himself to be a strong king, but his love of luxurious living soon begins to impact on his royal duties. Despite his mistresses, Elizabeth is loyal to the illustrious king, providing him with many children, among them Edward the fifth and Richard Duke of York. But Edward lived recklessly and on his death an incident from his past comes to light that will change the course of history ...

The pageantry, passion and tragedy of the life of Richard III. Richard, last-born son of the Duke of York, was three when the battle of St Albans began the War of the Roses, eight when his father and brother Edmund were brutally slain at Wakefield Green, nine when his resplendent brother Edward, aged nineteen, won the crown for York, and seven months short of his own nineteenth birthday when he bloodied himself at the battles of Barnet and Tewkesbury, earning his legendary reputation as a battle commander and ending the Lancastrian line of succession. But Richard was far more than a warrior schooled in combat. He was also a devoted brother whose defence of George of Clarence continued even in the face of madness; whose loyalty to his brother the king endured even unto death, despite his distaste for Edward's libertine appetites and political expediency. And he was an ardent suitor. His all-consuming love for Anne Neville began in childhood. Wed at fourteen to Edouard of Lancaster in a loveless match and widowed six months later, she came to Richard afflicted with wounds of the soul that only his patient tenderness could heal. But heal they did and theirs became a marriage as remarkable for its consistency as for its ardour. Richard was indeed many things, patron of the arts, indulgent father, generous friend. Above all, he was a man of fierce loyalties, great courage and firm principles, who was ill at ease among the intrigues of Edward's court. The very codes Richard lived by betrayed him. But he was betrayed by history as well. Leaving no heir, his reputation was at the mercy of his successor; and Henry Tudor had too much at stake to risk mercy. Thus was born the myth of the man who would stop at nothing to gain the throne. Filled with the sights and sounds of battle, the customs and love of daily life, the rigours and dangers of Court politics and the touching concerns of very real men and women, The Sunne in Splendour is a richly coloured tapestry of medieval England.

A fictional account of the life and times of Richard III captures the pageantry, passion, intrigue, and, above all, tragedy of the War of the Roses, in the story of the last Plantagenet ruler of England
