A timeless tale of complex emotional relationships from an acknowledged master Soon to be a major motion picture directed by Rituparno Ghosh, Chokher Bali is Nobel Prize-winning author Rabindranath Tagore's classic exposition of an extramarital affair that takes place within the confines of a joint family. It is the story of the rich, flamboyant Mahendra and his simple, demure, beautiful wife Asha—a young couple who are befriended by the pragmatic Bihari. Their cosy domestic scenario undergoes great upheaval with the introduction of the vivacious Binodini, a young, attractive widow who comes to live with them. Asha and Binodini become bosom pals. Binodini is initially drawn to Bihari but then begins to respond to the advances of Mahendra, who has become obsessively attracted to her. After several twists and turns, Binodini elopes with Mahendra, leaving the entire family in turmoil. Bihari pursues them to Allahabad and succeeds in bringing them back to Kolkata, but the question remains: can a marriage that has once been ruptured by breach of trust be mended again into a meaningful relationship? On the one hand, A Grain of Sand: Chokher Bali is a sensational account of two illicit relationships: Mahendra's infatuation with Binodini which blinds him to everything else, and Binodini's secret passion for Bihari of which she is never able to speak. On the other hand, it is a complex tapestry woven by the emotional interplay between five finely etched characters: the impulsive Mahendra, his adoring mother Rajlakshmi, the frail and sensitive Asha, the strong, silent Bihari, and the self-willed and irresistibly attractive Binodini. A compelling portrayal of the complexity of relationships and of human character, this landmark novel is just as powerful and thought-provoking today as it was a hundred years ago, when it was written.

Bibhutibhushan Bandyopadhyay was one of the greatest writers in modern Bengali literature, best known for his autobiographical novel Pather Panchali, which, along with another of Bandyopadhyay's books, formed the basis for Satyajit Ray's classic Apu Trilogy. In this semi-autobiographical novel, Satyacharan is a young graduate in 1920s Calcutta, who, unable to find a job in the city, takes up the post of a 'manager' of a vast tract of forested land in neighboring Bihar. As he is increasingly enchanted and hypnotized by the exquisite beauty of

nature, he is burdened with the painful task of clearing this land for cultivation. As ancient trees fall to the cultivator's axe, indigenous tribes--to whom the forest had been home for millennia--lose their ancient way of life. The promise of 'progress' and 'development' brings in streams of landless laborers, impoverished schoolmasters and starving boys from around the region, and the narrator chronicles in visionary prose the tale of destruction and dispossession that is the universal saga of man's struggle to bend nature to his will. Written in 1937-39, and now available in English translation, Aranyak is an unforgettable account of hard lives in a place of vanishing beauty, preserved here for all time by a brilliant artist.

This book reflects the paradigm shift now manifesting in Bangladesh's education system by highlighting recent empirical research. It shares essential insights by presenting research conducted on diverse aspects of current day education in Bangladesh, including policy and governance, equity, access and participation, curriculum and pedagogy, assessment, and education programs and projects run by NGOs. Further, it offers a platform for these unique studies to be showcased and disseminated to scholars and researchers from developing and developed countries alike, and represents a unique reference resource for the education research community in Bangladesh, Asia and all over the world. With Foreword from Professor Serajul Islam Choudhury.

Rohini, the slim and sloe-eyed young widow, defied the code of the Hindu elders. Though her husband was dead, she still wore her golden bangles and sang as she carried her jar to the well, moving altogether too gracefully, the villagers complained -- for the husbands of others were still decidedly alive! Including handsome Govindlal, whose wife Bhramar was a jewel, but what could she do against Rohini's enticements? And then when Rohini was caught in a conspiracy to forge the last will and testament of wealthy old Krishnakanta ... . Such timeless themes -- the passions, betrayals and conflicts that have inspired all storytelling since the art began -- compose this novel of life in India at the end of the last century. But this was also a period of dramatic social change as Hindu orthodoxy gave ground to Western ideas. Young girls doomed to lovelessness by the laws forbidding the remarriage of widows were no longer ready to accept their fate with resignation. Bankim-chandra Chatterjee, the acknowledged master of the Bengali novel, spins his tale with simplicity and shrewd humor. And the translation by J.C. Ghosh vividly transmits the rich and varied colors of traditional Indian life.

The English book for SSC Examination is an all-in-one complete preparatory book that is what an applicant needs for their preparation and overall improvement of the subject. With the help of the SSC English Book, applicants can score more marks in the forthcoming English section of the SSC Exam. This study focuses on the spread of print in colonial India towards the middle and end of the nineteenth century. Till the first half of the century, much of the print production in the subcontinent emanated from presidency cities such as Calcutta, Bombay and Madras, along with centres of missionary production such as Serampore. But with the growing socialization of print and the entry of local entrepreneurs into the field, print began to spread from the metropole to the provinces, from large cities to mofussil towns. This Element will look at this phenomenon in eastern India, and survey how printing spread from Calcutta to centres such as Hooghly-Chinsurah, Murshidabad, Burdwan, Rangpur etc. The study will particularly consider the rise of periodicals and newspapers in the mofussil, and assess their contribution to a nascent public sphere.

This book offers insights into the concept that a test can be used to encourage innovation in the classroom.

The twelve essays in this book demonstrate the importance of bringing history back into historical materialism. They combine the discussion of Marx's categories with historical work on a wide range of themes and periods (the early middle ages, 'Asiatic' regimes, agrarian capitalism, etc.).

"The Cambridge Guide to Second Language Assessment aims to present in one volume an up-to-date guide to the central areas of assessing the second language performance of English by speakers of other languages. This volume provides snapshots of significant issues and trends that have shaped language assessment in the past and highlights the current state of our understanding of these issues"--
