This book, by the excellent storyteller Robert McCammon, resembles King's classic novel in several respects, but McCammon sticks with the classic nuclear annihilation scenario in "*Swan Song*," a book written as the Cold War was winding down in the late 1980's. "*Swan Song*" starts out on a bleak note, and quickly goes down hill from there.

In a nightmarish, post-holocaust world, an ancient evil roams a devastated America, gathering the forces of human greed and madness, searching for a child named Swan who possesses the gift of life.

New York Times Bestseller: A young girl's visions offer the last hope in a postapocalyptic wasteland in this "grand and disturbing adventure" (Dean Koontz). A PBS Great American Read Top 100 Pick *Swan* is a nine-year-old Idaho girl following her struggling mother from one trailer park to the next when she receives visions of doom—something far wider than the narrow scope of her own beleaguered life. In a blinding flash, nuclear bombs annihilate civilization, leaving only a few buried survivors to crawl onto a scorched landscape that was once America. In Manhattan, a homeless woman stumbles from the sewers, guided by the prophecies of a mysterious amulet, and pursued by something wicked; on Idaho's Blue Dome Mountain, an orphaned boy falls under the influence of depraved survivalists and discovers the value of a killer instinct; and amid the devastating dust storms on the Great Plains of Nebraska, *Swan* forms a heart-and-soul bond with an unlikely new companion. Soon they will cross paths. But only *Swan* knows that they must endure more than just a trek across an irradiated country of mutated animals, starvation, madmen, and wasteland warriors. *Swan's* visions tell of a coming malevolent force. It's a shape-shifting embodiment of the apocalypse, and of all that is evil and despairing. And it's hell-bent on destroying

A veteran's moment of rage leads to a chase through the bayou in this tale of "jackhammer suspense" by the New York Times-bestselling author of Swan Song (Kirkus Reviews). Two decades after he finished serving his country in the jungles of Southeast Asia, Dan Lambert still pays the price. As he hustles for construction work in the heat of a brutal Louisiana summer, Dan tries to ignore the pounding in his head—a constant reminder of the Agent Orange-caused leukemia which will soon end his life. And now the bank wants to repossess his truck. His attempt to reason with the loan officer does not get him far. Dan loses himself in rage, and for a moment is back in the jungle again. When he comes out of his bloodlust, he has shot the banker through the chest. There is nothing to do but run. On his trail are two peculiar bounty hunters: a onetime Siamese twin and a heavysset Elvis impersonator. To save his own life, Dan is going to have to remember why it was worth living in the first place.

A monumentally devastating plague leaves only a few survivors who, while experiencing dreams of a battle between good and evil, move toward an actual confrontation as they migrate to Boulder, Colorado.

A relentless alien bounty hunter encloses a Texas town under a dome to isolate, hunt, and kill its prey in "the ultimate horror novel" (The Philadelphia Inquirer). Ever since the copper mine closed, the West Texas desert hellholes of Inferno and Bordertown have been slowly dying. Snake River isn't the only thing that divides them. Racism, gang wars, and anti-Mexican sentiment have turned the sun-scorched flatlands into a powder keg. If anything can unite them for now, at least in awe and wonder, it's the UFO that comes soaring out of the clouds like a flaming locomotive. In the wake of the crash, a young alien named Daufin has arrived, too. A fugitive who has taken the form of a human, she knows the terror that awaits the inhabitants of this planet—because it is looking for her. When Stinger, the monstrous alien bounty hunter, arrives, it's with a destructive fury and a devious plan to find Daufin—by entombing the residents in an impenetrable and inescapable dome. A relentless killing machine, Stinger has an infinite capacity for death and destruction. And over the next twenty-four hours, this town is

going to bleed and burn. Now, the few remaining survivors must come together to protect Daufin, themselves, and the world beyond from total annihilation. From the New York Times–bestselling and Bram Stoker Award–winning author of *Swan Song*, *Stinger* was called “one of the best suspense novels of recent years” by the *Science Fiction Chronicle*.

An “impressive” tale of psychic power, Native American mysticism, and an ancient evil in Alabama, from the New York Times–bestselling author of *Swan Song* (Associated Press). Born and raised in rural Alabama, Billy Creekmore was destined to be a psychic. His mother, a Choctaw Indian schooled in her tribe’s ancient mysticism, understands the permeable barrier between life and death—and can cross it. She taught the power to Billy and now he helps the dead rest in peace. Wayne Falconer, son of one of the most fervent tent evangelists in the South, travels the country serving his father’s healing ministry. Using his unique powers to cure the flock, Little Wayne is on his way to becoming one of the popular and successful miracle workers in the country. He helps the living survive. Billy and Wayne share more than a gift. They share a dream—and a common enemy. They are on separate journeys, mystery walks that will lead them toward a crossroad where the evil of their dreams has taken shape. One of them will reject the dark. The other will be consumed by it. But neither imagined just how monstrous and far-reaching the dark was, or that mankind’s fate would rest in their hands during an epic showdown of good versus evil. From the author of *Gone South*, *Boy’s Life*, and the Matthew Corbett series, a master of suspense who has won the World Fantasy and Bram Stoker Awards, *Mystery Walk* offers “creepy, subtle touches throughout [and] splendid Southern-town atmosphere” (Kirkus Reviews).

unleash his own internal demons and redefine the meaning of the horror of war. From the award-winning author of *Swan Song* and *Boy's Life*, this is a "powerful novel [that] fuses WWII espionage thriller and dark fantasy. Poe's classic tale lives on in this gothic novel of ancestral madness in the mountains of modern-day North Carolina, from a New York Times–bestselling author. Ever since Edgar Allan Poe looted a family's ignoble secret history for his classic story "The Fall of the House of Usher," living in the shadow of that sick dynasty has been an inescapable scourge for generations of Usher descendants. But not for horror novelist Rix Usher. Years ago, he fled the isolated family estate of Usherland in the menacing North Carolina hills to pursue his writing career. He promised never to return. But his father's impending death has brought Rix back home to assume the role of Usher patriarch—and face his worst fears. His arrival forces him to confront a devious and impassive family and his vulnerable sister's slow descent into insanity. Stirring memories of the grim folktales born out of the surrounding Briartop Mountains and the terrifying legends of missing children, Rix knows that in the dark, twisted corridors of Usherland, that dreadful something he saw as a young boy is still there. It's waiting for him, as decayed and undying as the Usher heritage, and more depraved than anything Poe could have imagined. This eerie novel by the Bram Stoker Award–winning author of *Swan Song* and *Boy's Life* is "a frightening pleasure" and a worthy tribute to the master who inspired it (St. Louis Post-Dispatch).
